HIEROWEB INTERACTIVE PRESS RELEASE

We've worked in the [film industry](#) for 35 years as actors, writers, stuntmen and editors. We even picked up a couple of [Emmy's](#) along the way. We recruited my son Justin as a 3rd partner because he's been helping us do all these various jobs since he was a kid. Next we snagged Jeff Clark as partner # 4. He's a whiz at Post and knows military procedures; the only difference between a "Search and Destroy Mission" and our brand of [filmmaking](#) is the use of cameras instead of guns. Since the rest of us can't even draw an acceptable crooked line, we just badgered Gilbert Sandoval 'til he gave up and said "yes" to becoming our storyboard artist.

Terry and I came up during the 60's and 70's (the "Easy Rider" to "Raging Bull" period of Hollywood's history). So we felt very fortunate indeed to find that we had enough brain cells left to accurately assess our situation. [Smoking Lens Films](#)
