## HIEROWEB INTERACTIVE PRESS RELEASE

[Hieroweb Interactive](#) has just completed judging this years 2006 [Internet Advertising Competition Awards](#), and the 2006 [Horizon Interactive Awards](#).

If you own or manage a web site entering your web site in such competitions provides you with a level playing field for all of your efforts regardless of your company size. Often, smaller firms and individual developers produce outstanding work that never receive the attention that they deserve. By entering your web site in these types of web award competitions you give your web site the attention of professionals in your industry.

Presently the call for entries is under way for the [2006 WebAwards](#). Have your web site recognized today and have your team's efforts in outstanding Web site development generate internet marketing exposure for the award winning Web site that your team has created. This international [WebAward Competition](#) is the premier Web site award program available today. [Enter Today!](#)
